Dear Parents,

As you are aware, we are passing through extremely difficult time. BCM School has taken all measures to ensure that your ward is continuing his studies online through platforms like Diksha Platform, Swa-adhyayan learning platform, whatsapp, ZOOM and Microsoft team. In addition, government is also taking steps to start classes on dedicated TV channels.

As per directions of Punjab Government, the School has revised the fee for the first quarter (April- June) 2020. The School has waived off annual and other miscellaneous charges for the first quarter.

1. Monthly tuition fee for these three months is to be paid without any increase over 2019-2020 fee rates. Fee payable for the class for which your ward stands promoted can be checked from the fee portal.

2. We sincerely thank parents who have already paid fees on their own. We deem it pertinent to inform them that any payment made in excess of the payment due under the present arrangement has been adjusted and stands reflected in the respective accounts of their wards by now.

Having providing reasonable relief in fee payment as per directions from the quarters concerned, BCM school Chandigarh Road requests you to make fee payments ONLINE to enable the school to make the timely payments to the staff and to carry expenses essential to be carried on in the interest of students .

With best wishes
