SUMMER

*Dear Parents
Greetings for the day!*

Summer Break is a welcome break. Break from fixed schedules, rules and regulations of school. Freedom brings more responsibility. So keeping this in mind we have planned most of the activities to keep our children engaged and also help them in channelizing their energies. Kindly help and guide your child in completing his or her work and also exploring his/ her creative self.

Summer vacations will commence from May 31, 2024 to July 3,2024 (Both days inclusive)
