*In our ears, we hear a humming,  
Summer - Summer is coming,  
Soon, we will go on vacation  
So, let's gear up and be ready  
for some learning Temptation.*

## Dear Parents

*We all know that Covid -19 has spread its tentacles all over the world. When schools are shut down, and there is a situation of lockdown. Amidst, I urge our dear parents to spend quality time with the children. Use this time to teach your children lesson of life. Take them closer to the roots and give wings to their imagination as long summer break is the most enviable part of the school life. A variety of fun-filled activities and creative worksheets have been designed for these little blooming buds. It aims to create the spirit of enquiring, creativity and sensibility among the **BCMites**. Let's join hands in making the best use of this time grant to us. The school is making every best possible endeavour to help this.*

## Tips for Parents:

- Reading and learning are good habits. Encourage them to read books to enhance their concentration.
- Encourage them to speak small English words/sentences very often.

- Children should be given a well-balanced and nutritious diet.

- Restrict and monitor the programmes being watched by your child on T.V. or Mobile Phone.

- Give them small responsibilities in household chores which will aid them to be independent.

- Keeping in view the prevailing situation indulge them in various indoor games.
- Allow them to complete homework on their own under your guidance.

## Being Good

Teaching manners helps for the kindness and a sense of community. Let's share some points to make these holidays a fruitful and a happy period for them.

- Help your child inculcate good habits like doing "**Surya Pranam**" & encourage him/her to greet all elders in the morning.
- Learn to listen.
